Fee Policy

If you decide to rent an apartment that we show you, then you agree to pay the following:

- a. No fee is due for a “no fee” apartment
- b. One half month’s rent is due for a “half fee” apartment.
- c. One month’s rent is due for a “full fee” apartment.

The fee is established by the owner/landlord and will be made known prior to signing a lease.

Additionally, if you are introduced to a building by us, but rent any apartment in it from another broker or the landlord directly you will be liable to Apartment Hub for a fee in the amount of one’s month rent, regardless of the original fee classification.
